### DESCRIPTION AND PURPOSE OF ITEM

This item identifies the county where the maintenance responsibility resides. The number entered here is used to computer generate Item 2 - Highway District.

State Maintained: In most cases enter the number for the county in which the structure is physically located. In cases where a Highway District has maintenance responsibility for a structure outside its boundaries, this number should reflect the county within the responsible District that is nearest to the structure in order that the District assignment can be adequately made.

County Maintained: Enter the county that has maintenance responsibility.

Township, Municipal or Other Maintenance: Enter the county in which the agency having maintenance responsibility is located.

### CODE AND SCREEN ENTRY INSTRUCTIONS

A three-digit field.

Enter the appropriate county code (see list of county codes in Item 3).

1/ This is a required item when adding a new structure to the ISIS database.
